CROSSROADS  
PRESCHOOL

Volume 2, Issue 7

March 2010

## Director's Notes

As a director, I know that the best advertising for STARS preschool is "word of mouth". The staff and I want to thank you so much for all the referrals you have given. Many of our new students for next year have decided on STARS because of what you, as current parents, have recommended. We appreciate you!

Mrs. Anne

## Twos Zoo

What an exciting month we have planned! We will talk about weather changes, spring, and the many animals God made: animals for pets, in the wild, in the zoo and on the farm. We will even have a visit from some special "pets."

## Hoppin' Threes

This month we will talk about March's windy days, weather, kites and St. Patrick's Day. We will make green pudding and Windy Day soup. Our Bible focus for the month will be about how God uses water in many ways in the Bible.

## Apple News (4s MWF)

WOW! February was a great month. We enjoyed the special activities for Super Bowl week and the Olympics. In March, we will focus on taking care of our bodies by learning about healthy foods, exercise and a field trip to Lowes Food. We will also focus on Easter and God's great gift to us in the Resurrection.

## Shining Stars (4s M-Th)

This month we will talk about Dr. Seuss and celebrate the many great stories in the Bible. We will also explore our senses and focus on Easter. We will start exploring spring and take our first field trip to Lowes Foods. We all enjoyed visiting the Preschool Olympics this month and winning our very own medals. Everyone is enjoying their weekly journal writing time.

## Bees News (TK 5)

We are continuing to explore patterns and shapes. Our RPL story this month is "The Three Billy Goats Gruff". We will make the characters and act out the story, maybe even for other classes! Our Bible lessons will focus on listening to God and being His servant.

## Praise and Worship Class

This month we will sing songs about Easter and animals. Everyone will hear the Easter story using the resurrection eggs. We will also have several puppet visits from "Fritz" and his animal friends.
